## MEMORANDUM

**From:** John Horigan, MA, CIP  
CIRB Administrator

**Date:** July 26, 2013

**Subject:** **Establishment of New Adult CIRB, Renaming Current Adult CIRB**

The NCI CIRB Initiative has started a new CIRB to review NCI-sponsored early phase studies. This new CIRB will be called the “Adult CIRB – Early Phase Emphasis”.

As a result of this addition, the existing Adult CIRB has been renamed “Adult CIRB – Late Phase Emphasis” to differentiate the two Adult CIRBs. The Adult CIRB – Late Phase Emphasis continues to review NCI-sponsored phase 3 studies.
